CORONAVIRUS (COVID-19) UPDATE

I hope this note finds you and your family healthy and safe in this remarkable time. We wanted to reach out to you as a client to inform you that our offices remain open to serve. The health and safety of our employees and clients remain at the forefront. Our organization is prepared to address any change in the course of our delivery of service to clients should that become necessary.

With each passing day, we learn more and more about the Coronavirus (COVID-19) outbreak. Given the unprecedented pandemic and fluidity of the situation, we remain prudent to adjust accordingly as we learn more each day.

Open for Business

Please know, we are open for business and available to you! We are fortunate to have the ability for our team members to work remotely under the Governor's current directive. You can continue to contact us through the normal communication of phone or email. Please allow for a little extra time to respond as we adjust to this "new normal." We are also available on a limited basis for in-person meetings on an appointment basis.

If you need to contact your specific insurance carrier after-hours, please refer to the following link on our website https://konen.com/about/insurance-partners/ to pay a bill or report a claim.

Stay Well!

We truly value our relationship with you and are committed to providing uninterrupted service during this most challenging time in our nation. May God Bless those impacted by this virus and keep everyone safe. Thank you.

Sincerely,

The Team at Konen Insurance
